

Spread the word.... We Need Socks!

Any color... Any design... We don't care, as long as they are new socks!

Kalker Podiatry is partnering with Valley Youth House Shelter in Warminster to collect brand new pairs of socks for residents of the shelter, boys and girls 17 and under

Why socks? they are given the least but needed the most.

Please drop off your donations at our office.

Ask your friends and neighbors to contribute as well.

Donate and make a difference!
