## ADVENTURES IN ARTS CAMP

**Come join us for...**

**July 2018**  
**5851 Horseshoe Road**  
**Orefield, PA 18069**

### Visual Arts

Campers will join a teaching artist in a week-long overnight camp as they explore the exciting world of creative and visual arts! Offering unique hands-on workshops in felting, weaving, painting, collage and more! Projects encourage hands-on learning with special materials and tools. Professional artists lead workshops in a variety of mediums that encourage all campers to find their inner-Picasso!

### Performance

Arts week will also be including a Comedy workshop for campers that are interested. Improv comedy focuses on the 3 core principles of comedic improvisation: agreement, being active, and justification. This workshop is designed to create an energetic and supportive environment for play. Whether you never took the stage before or you're a seasoned improviser, you'll have fun!

**Adventures in Art camp is a new camp being brought to Camp Fowler in July 2018 made possible through a partnership with Arts Quest!**
