YOUR SUPPORT (CHANGES LIVES!)

Valley Youth House began in 1973 as a single shelter in Pennsylvania's Lehigh Valley. We ensured that the vulnerable, abused, and homeless young people in the community had access to shelter and counseling. Even then, we represented more than just a roof and beds. We were an organization committed to building a solid foundation for every individual who came through our doors.

That same dedication still drives us today, as we have grown from that first shelter in the Valley to over 300 residential facilities. Though our reach and programming have vastly expanded to include skills training, health, prevention, and intervention services, our mission remains the same.

Valley Youth House is the catalyst for youth to achieve their desired future through genuine relationships that support families, ensure safe places, and build community connections.

For the past 46 years, we have been proud to be there for two generations. We stand ready to be there for the next generations as well. Our doors remain open – we just have more of them now.

Thank you for your contributions!
