## Our History

We began as a single youth shelter in Pennsylvania's Lehigh Valley. VYH was open day and night, ensuring that vulnerable, abused, and homeless young people in the community had access to shelter and counseling. Even then, we represented more than just a roof and beds. We were an organization committed to building a solid foundation for every youth who came through our doors.

That same dedication still drives us today, as we have grown from that first shelter to over 300 residential facilities. While our reach and programming have vastly expanded to include skills training, health, prevention, and intervention services, our mission remains the same.

## Our Mission

Valley Youth House is the catalyst for youth to achieve their desired future through genuine relationships that support families, ensure safe places, and build community connections.

## Our Vision

We envision a world in which every young person belongs to a nurturing community.

## Our Values

In pursuit of our mission and vision, the Valley Youth House team is guided by the following values:

- ◆ Mission Driven
- ◆ Outstanding Team Members
- ◆ Valued Team Members
- ◆ Innovation & Creativity
- ◆ Integrity
