

LV SHELTER WISH LIST

Valley Youth House is currently accepting monetary donations and new gift in-kind donations for our Lehigh Valley Shelter. Valley Youth House's Lehigh Valley Shelter serves any young person experiencing homelessness or housing instability in Pennsylvania ages 12-17. Our Shelter utilizes an individualized, brief counseling and crisis intervention model that services include case management, individual, family and group counseling, life skills education, adventure based experiential education and recreational activities, and therapeutic follow-up and aftercare services.

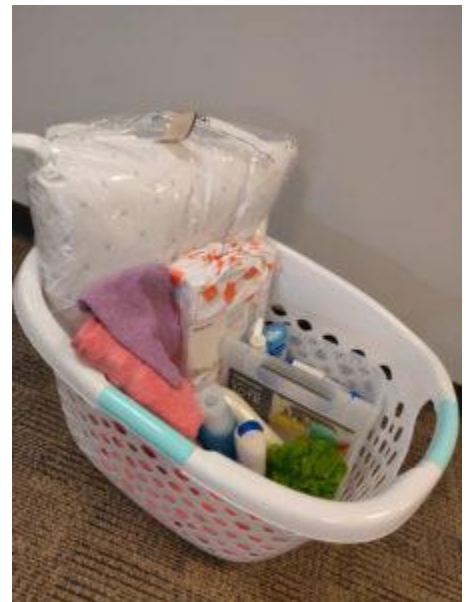

When youth arrive at our Shelter, often their only possessions are the clothes they are wearing. We would like to have Welcome Baskets for when youth arrive so that they can be given a warm welcome and a basket of items they can call their own.

The items below (and suggested brands with estimated prices) are requested for the Welcome Baskets:
