Throughout another unprecedented and unpredictable year, one thing has remained consistent – Valley Youth House’s unwavering dedication to the youth and families in our community. Since the first day of the COVID-19 pandemic, our agency has vowed to keep our doors open to those who need it, and we are proud to have upheld that promise over two years later.

Our dedicated staff of over 400 employees have remained vigilant while on the front lines of social service delivery. The strain of the pandemic has had a significant impact on our clients, but our level of service has increased to meet the challenges. Youth and families are critically in need of housing, counseling, life skills training, and therapeutic or emergency support now more than ever.

In a world filled with uncertainty, we believe that a nurturing community is essential to foster growth and success in the lives that we impact. Valley Youth House remains grateful for your continued support and generosity that allows us to nurture the most vulnerable youth. With your help, we are building foundations and shaping futures.

Thomas R. Harrington  
President & Executive Director  
Valley Youth House

Stephanie Raymond  
Chair, Board of Directors  
Valley Youth House

NON-OPERATING ITEMS

1. **PPP Loan**: During 2021, Valley Youth House received approval of forgiveness of its $2,804,000 PPP Loan, which was received in 2020 and enabled the organization to keep its staff employed during the pandemic. The forgiveness is recognized as non-operating income in 2021.

2. **Capital Campaign Accounting Change**: In 2021, Valley Youth House changed its accounting practice to comply with GAAP guidance, which requires funds raised for capital acquisition to be recognized when the asset is put in place. A total of $2,902,000 in 2021 revenue is recognition of the entirety of the funds raised for the construction of new cabins at Camp Fowler over a three-year period. Previous accounting treatment was to recognize the revenue commensurate with the depreciation expense, which had no impact on the net results of the organization.

3. **Investment Income**: A total of $459,000 in non-program-related realized and unrealized gains were recorded in the agency’s Endowment funds in 2021.

4. **Summary**: The Net Operating loss of ($921,000) combined with the positive impact of the Non-Operating and one-time revenues resulted in total positive variance of $5,244,000.
Valley Youth House supports young people who are experiencing homelessness, housing insecurity, and loss of family connections to achieve healthy and independent futures. Personalized programs and services offer emergency shelter, stable housing, counseling, and life skills training.

**MISSION STATEMENT**

Valley Youth House is the catalyst for youth to achieve their desired future through genuine relationships that support families, ensure safe places, and build community connections.

**VISION STATEMENT**

We envision a world in which every young person belongs to a nurturing community.

**5 SERVICE AREAS**

1. Prevention
2. Intervention
3. Emergency Services
4. Independent Living & Permanency Services
5. Therapeutic Recreation & Adventure

**CORE VALUES**

- **SERVICE-FOCUSED LEADERSHIP:** We are committed to the mission of providing quality services to youth and families, humbly advocate for others, and respect the value and worth of all clients and staff
- **INTEGRITY:** We conduct ourselves and our business in an ethical and honest manner, strive for transparency in all of our interactions, and are committed to social justice, equity and inclusion
- **COMPETENCY:** Our team is made up of highly-skilled and culturally aware problem solvers that bring creative and innovative approaches to our work
- **COLLABORATION:** Our emotionally mature staff models warmth and compassion to build genuine connections with youth, families, and fellow team members, and establishes strong partnerships with funders and community stakeholders to ensure future growth
- **DEDICATION:** Our team operates on a strong work ethic. Our staff members are decisive, tenacious, and get things done regardless of any obstacles that come their way
WHAT MAKES US UNIQUE?

1. **INCLUSIVE** – Valley Youth House helps all youth and their families, including the most vulnerable who have been abused, have run away, or are experiencing homelessness. This includes LGBTQ+ youth and those who have struggled to find success with other organizations and/or programs. VYH is there for all youth and families, including those who have nowhere else to turn.

2. **RESPONSIVE** – Valley Youth House and our team members craft responsive, customized programs to meet the needs of Pennsylvania’s youth, families, and communities. VYH’s responsive, effective programming serves as a strong foundation for youth and their families.

3. **RESILIENT** – Valley Youth House is resilient - from the youth and families that walk through its doors, to the staff members and volunteers who work tirelessly to support them, no matter what. We do not turn our backs on youth or families if an initial intervention is unsuccessful or if a young person is hard to reach. Rather, we welcome the challenge and keep working. At VYH, we don’t turn our backs at the first sign of adversity.
IMPACT REPORT

90% of all families served

2,182 Youth were served through small group and classroom prevention programs

175 Youth experiencing homelessness or housing instability

216 families participated in our FAMILY INTERVENTION PROGRAMS

- 79% Improved family functioning
- 81% Reduced/eliminated substance use
- 93% of participating youth did not reoffend

Over 741 Youth & 393 Children & Babies were served in Independent Living, Housing, & Permanency Services

The Synergy Project walked, kayaked & biked to reach 1,807 HOMELESS YOUTH

CAMP FOWLER provided 1,833 CLIENTS with therapeutic recreation and adventure

Valley Youth House ANNUAL REPORT 2021-2022
Youth Education Program (YEP)

Following the COVID-19 pandemic, there has been an increase in the number of youth and adolescents turning to drugs, alcohol, and other substances. Our Youth Education Program (YEP) provides school and community-based prevention and education services to help young people cope with stressors and make healthy decisions for themselves.

In 2021, YEP partnered with the Lehigh County Department of Drug & Alcohol to launch #TrueToMeLV – a drug and alcohol prevention campaign that connects with young people in the community to provide resources and alternate coping mechanisms. This campaign featured three (3) TikTok videos, a webpage, and billboards aimed to inspire youth to stay true to themselves and their future. To date, the campaign has had a total of 1,447,682 impressions (and counting)!
School-Based Counseling

Studies show that the pandemic has had a significant impact on the mental health of youth, presenting a wealth of new challenges for students, parents, and educators. In 2021, Valley Youth House was fortunate to welcome even more counselors to our team to provide services within schools, growing from 15 School-Based Counselors to 24. We’ve also expanded to 12 new schools across the Lehigh Valley, allowing us to provide school-based counseling services in a total of 30 schools.

In 2021, we served 1,084 students with individual and/or small group counseling services. Thanks to the generosity of a variety of grants, foundations, and schools who have chosen to prioritize their students’ mental health, these services are provided at no cost to students or their families. Our School-Based Counseling Program ensures that all students are able to access our quality services, as we do not collect insurance information nor require referral criteria.

“We are so pleased with the progress that our son has made since entering Valley Youth House’s School-Based Counseling Program! He has learned coping mechanisms to deal with stress, and he is able to handle anxiety and worry in a more mature manner. Not only that, but he truly enjoys the time he spends with his counselor. He looks forward to his meetings with her, and is always excited to tell us about what he did or learned from her that day. We are truly thankful, and highly recommend the program to any parent looking for some extra help with their children.” – Parent of Client (Anonymous)

“Our School-Based Counselor is a phenomenal resource to our students and their families. She is committed to helping our students grow socially, emotionally, and mentally so that they can succeed academically. She creates authentic relationships with our students and their families and goes above and beyond to make sure their needs are being met. We are so lucky to have her!”

– Shannin Peters
Principal, Allentown School District
MYA

At the age of 18 and a senior in high school, Mya found herself making the difficult decision to run away from her abusive home. In the middle of winter, she struggled by sleeping in an emergency shelter to stay warm and frequented drop-in centers during the day to complete her school work virtually.

During this time, the Valley Youth House street outreach team, The Synergy Project, supported Mya by providing her essential survival supplies such as food, clothing, hygienic products, and more. Our team also provided Mya with peer support, information, and referral services to help get her into our Transitional Living program!

With the help of her Valley Youth House Case Manager, Mya has since been able to move into her own apartment, graduate from high school, and enroll in beauty school! Mya now lives independently, supports herself through her job, has obtained her driver’s license and bought her own car, and is set to graduate from beauty school in the spring.
As a single mother of a 2 year-old, Alexis came to Valley Youth House for help getting her life on track. Having been in different shelters throughout York County, Alexis found herself discouraged by the lack of assistance that she could find in getting herself and her child a place to live.

“I LEFT A VERY BAD SITUATION, SO I WAS KIND OF SCARED TO BE ON MY OWN,” SAID ALEXIS.

After connecting with Valley Youth House, she was shocked to find that our Housing Stability Coach, Mia, was able to find her a 2 bedroom apartment. Valley Youth House was also able to help teach her critical life skills to navigate being independent such as budgeting, parenting, and managing goals.

“I NEEDED SUPPORT AND VALLEY YOUTH HOUSE GAVE ME THE SUPPORT NEEDED TO GET MY LIFE BACK ON TRACK FOR MY SON.”

Now, with the help of Valley Youth House, Alexis and her son are on the path to a better and brighter future!
Allentown City Councilwoman Cynthia Mota started her journey with Valley Youth House at the young age of 16 while critically in need of assistance from a caring adult. Through no fault of her own, Cynthia found herself in a dangerous, toxic home environment that put her safety at risk.

As a student at Dieruff High School in Allentown, PA, Cynthia recalled going to her school guidance counselor for help, who immediately sought external help from Valley Youth House.

“I’ll never forget – two courageous ladies from Valley Youth House came to my home and took me to a safe place,” said Cynthia. From there, Cynthia was taken to our Independent Living program, where she received both individual and group counseling and assistance to help transition to independence.

“Valley Youth House was a life-changer,” recalled Cynthia. “I was in a really bad place. If it hadn’t been for (VYH), I would’ve been in a much different situation. I was planning to run away – I was going to be one of the statistics of just another runaway child.”

As Cynthia continued working with our staff at our Independent Living program, she saw herself begin to flourish and heal from her past experiences. She was taught financial literacy and responsibility, was assisted in finding a job, and applied to college when she was ready.

“I couldn’t have survived without Valley Youth House. I needed someone who was going to say, ‘Cynthia, we know what you have been through. You’re in a safe place and we’re going to help you.’ It provided me with a sense of hope and belonging.”

Cynthia was inspired to help others through her experience at VYH, which is why she decided to move forward in starting her career in human services through her higher education studies. Her new mission was to pay it forward by helping children and underprivileged members of the community through social work and counseling.

Eventually, wanting to make a bigger impact, Cynthia realized that politics was a way to be able to draft legislation and make changes for the betterment of our community. Councilwoman Cynthia Mota has now served as a member of the Allentown City Council since 2012 and most recently has been appointed Council President. Through her political work, she advocates bridging partnerships for fair and equitable economic development, aligning government services with community needs, and promoting responsive and respectful public safety measures.

Today, Councilwoman Cynthia Mota proudly serves as a member of the Valley Youth House Board of Directors. Through her own experiences, she is able to speak passionately for and advocate on behalf of our agency.

Valley Youth House is proud to have made such a significant impact on Councilwoman Cynthia Mota’s life and is honored to have her serve as a member of our Board as we work tirelessly to create a world in which every young person belongs to a nurturing community.
This past year, we celebrated the opening of the new “Sasso House”, which was generously donated to Valley Youth House by Patricia and John Walsh in honor of Catherine Sasso, Patricia’s grandmother. The “Sasso House” serves as a safe haven for female-identifying trafficking survivors involved in our THRIVE program.

“The Sasso House is named in honor of the girl who became my grandmother, who always loved to sit under a tree and feel the breeze in her hair, who always listened and talked with me and gave me hugs. The youngest child of immigrants and the only one born in America, she had many personal challenges, but she was filled with loving kindness and her deep faith,” said Patricia.

THRIVE is one of our newest programs designed to provide housing and support to female-identifying trafficking survivors between the ages of 14-21. Through THRIVE, survivors are provided a safe place to live, as well as meals, clothing, personal items, counseling, drug and alcohol treatment, psychiatric care, employment training, and medical/dental care. Our team strives to provide the necessary resources for these young women to successfully reclaim their lives and support them in establishing/achieving goals for their future.
Valley Youth House has been generously gifted $200,000 from Barbara Barker and John Chittick in memory and honor of their late son, Zachary Barker Chittick. The Zachary Barker Chittick Endowment Fund will provide continuous, annual funding of programs and services for the youth and families we serve.

The funding received from the Zachary Barker Chittick Endowment Fund will provide emergency supplies, shelter and housing, counseling, prevention and intervention services, assistance with education, employment, life skills development, and case planning in any Valley Youth House program or service line.

As a specifically designated pool of assets held and invested by the agency, this endowment fund will provide long-term growth interest and annual funding in perpetuity.

Valley Youth House remains grateful to Barbara Barker and John Chittick for their generous support of youth and families in our community and for ensuring the agency will continue to serve young people for many years to come.

The Catalyst Society is named in honor of informed leaders and committed donors who believe in furthering the mission of Valley Youth House to be the catalyst for young people to achieve their desired future. Through a dedicated partnership and planned giving commitment of $25,000 or more, Catalyst Society members serve as Valley Youth House ambassadors and share the vision of a world in which every young person belongs to a nurturing community.
